

WHERE WE'VE BEEN

“Mother of all demos”

The **beginning** of user interface paradigms

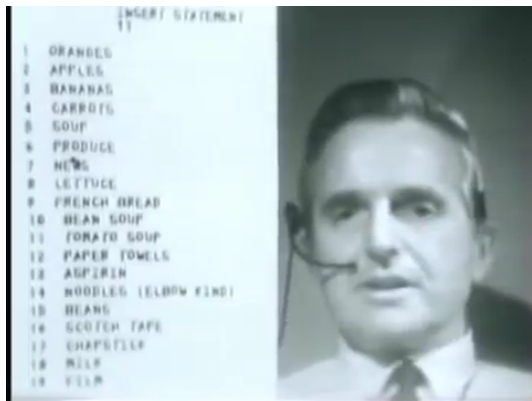

“Mother of all demos”

The **beginning** of user interface paradigms

or

The **conclusion** of a decade of military research

- Does this matter?

NOTE TO SELF: WHAT I WANT TO DISCUSS

- why does this matter?
- Am I just trying to make people feel bad about their companies and work? no
- **the origins of our field contextualize the roots of our intellectual work**
- being deliberately or unintentionally ignorant of our history undermines our ability to create a comparatively more just world (1619 project? is it obnoxious to invoke the 1619 project?)
